invitation to attend

Medicine Ageing & Nutrition 2007 is the conjoint scientific meeting of the Australian & New Zealand Society of Geriatric Medicine (ANZSGM) and the Internal Medicine Society of Australia and New Zealand (IMSANZ) in association with the International Academy of Nutrition and Aging (IANA). Delegates may attend all or part of the combined meetings.

A stimulating and interesting program has been planned. Sessions will include plenary sessions with invited overseas speakers, interactive workshops, update sessions, free scientific oral and poster presentations, and breakfast sessions. The major topics include:

- evidence-based medicine
- dementia for the generalist and the geriatrician
- gait disorders
- stroke
- implantable cardiac devices
- osteoporosis
- exercise and ageing
- cardiac arrhythmias
- metabolic syndrome
- under-nutrition in the elderly
- enteral feeding
- peri-operative care

The Meeting will be held at the Adelaide Convention Centre, a purpose-built convention complex with all facilities under one roof and state of the art technical facilities. Located in the heart of the city of Adelaide on the banks of the Torrens River and only 15 minutes drive from Adelaide Airport, the Convention Centre is close to the commercial and entertainment centre of the city, adjacent to the Adelaide Festival Centre, the Adelaide Casino and parklands. The location offers excellent opportunities to explore the shops and nightlife of Adelaide.

Situated on Australia's Southern Coast, Adelaide enjoys a well-deserved reputation for its broad cultural horizons. Surrounded by parklands, it is widely regarded as the best-planned city in Australia - gracious Edwardian and Victorian buildings line the leafy boulevards and rub shoulders with award winning modern buildings. Street side restaurants and cafes abound, featuring cuisines of all types.

We look forward to seeing you in Adelaide.
